YOU CAN DIRECTLY SPONSOR FOSTER CHILDREN IN NEED

Your support is vital so we can continue to serve and support our local foster children.

A monthly gift of \$25 will fully sponsor two children this year. Can they count on your support?

The Foster Care Clothing Closet is a 501c3 non-profit formed to support foster families and provide a feeling of love and support for foster children who are in a devastating situation. We want them to have items to call their own. Most children are placed with little to NO property, clothing, comfort items, etc and to make it worse, if they do, it is typically handed over in a trash bag. The image and feeling are resounding for us and the child. At the closet, a child can come in and receive a shopping experience for clothes, shoes, school supplies, a suitcase/duffle, hygiene items, games, toys and other things to help them feel they fit in better, and are worth more than a trash bag warrants. Your support helps to keep the lights, water, and phone on so that we are here to answer when they call! The community has been so supportive, and we are truly thankful! The Foster Care Clothing Closet is run by an amazing Director of Operations with the help of a volunteer board! Thank you for your support!
